THE MACALLAN

LUXURY SINGLE MALT SCOTCH WHISKY

Founded in 1824 on a plateau above the River Spey in north-east Scotland, The Macallan is renowned globally for its incomparable craftsmanship, creativity and innovation with each bottle of single malt whisky revealing its unique mastery of wood and spirit.

THE STORY OF DOUBLE CASK

The Macallan's unwavering commitment to exceptional wood management defines every aspect of our whisky creation - and in Double Cask, two worlds unite to create a distinctive Macallan. Created from the perfect balance of hand-picked American and European Oloroso sherry seasoned oak casks.

Mastery of this union results in a perfect partnership of Oloroso sherry seasoned American and European oak casks that creates a range with an extraordinary fusion of vanilla and subtle spice.

THE STORY OF SHERRY OAK

The Macallan Sherry Oak range features a series of single malt whiskies matured exclusively in hand-picked Oloroso sherry seasoned oak casks from Jerez, Spain, for richness and complexity.

When matured exclusively in sherry seasoned oak casks from Jerez, our rich, fruity and full bodied 'new make spirit is transformed into a classic single malt characterised by spice, dried fruits and mature oak with a depth of flavour that develops through the range.
